VACANCY

Institute Profile	The University is located in a rural area in co-existence with natural environment. It aims at empowering the youth of Jharkhand with vocational and skill development training, besides the teaching of traditional subjects, train them as a cultured citizen and prepare them for employment/self-employment. The University is also very much desirous to assist and encourage the poor and meritorious students in getting higher education in the campus. Our attempt will be to prepare the students for their holistic personality development through inculcating leader's quality & responsibility.
